

UNITED STATES NAVY

MEDICAL NEWS LETTER

Rear Admiral Edward C. Kenney MC USN
Surgeon General

Rear Admiral A. S. Chrisman MC USN
Deputy Surgeon General

Captain Malcolm W. Arnold MC USN (Ret) - Editor

INDEX

Volume 40, Numbers 1 - 12
6 July through 21 December 1962

- A "Successful" Staphylococcal Control Program Which Failed 1:27
- Abdominal Surgery Without Gastrointestinal Suction 1:11
- Abnormalities, congenital, production of 8:5
- Accidents, driving - summer months 3:18
- Accidents Lead in Physical Impairments 4:31
- Accidents, shipboard, injuries to visitors 6:17
- Aedes aegypti*, in the Americas 11:32
- Aerosol, demonstration of an, produced by the air-water spray and air-turbine handpiece 3:24
- Aerospace Medical Courses, announcement of 3:16
- Aerospace Medical Research, attracts visitors to Pensacola 9:21
- AFIP Clinicopathologic Conferences, available on loan 2:16
- AFIP, Surgeons General unveil plaque at 5:14
- Alpen, Edward L., Cdr, MSC, USN, receives SecNav Award 3:19
- Amalgam restorations, base material for 12:23
- American Board Certifications 1:20, 7:16, 10:17
- American Board of Obstet and Gynec, examination announcement 7:21
- American College of Chest Physicians, information on annual meeting 5:14
- American College of Physicians, annual Far East sessions 5:16
- American Dental Assn. Meeting, military symposium held with 8:24
- American Pharmaceutical Assn., Military Section of, sponsors Federal Services Pharmaceutical seminar 8:19
- American Psychiatric Assn., RAdm Bartholomew W. Hogan, MC USN(ret), new Acting Medical Director of 4:34
- Americas
childhood mortality and socioeconomic development in the 4:21
first conference of Surgeons General of Navies of the 5:20
- Amyloid disease, of the kidney, nonmyelomatous 12:5
- Anesthesia, Nurse Corps Training in 8:19
- Anesthesia Program, NC, USN, headed by Cdr Anna T. Butler, NC USN 9:20
- Anniversary Messages U. S. Naval Dental Corps 3-11
- Announcement of National Bilirubin Survey 1:16
- Anoxia (or Hypoxia), delayed neurological deterioration after 5:10
- Antarctic dental officer celebrates Dental Corps Anniversary 11:25
- Antarctic, Navy psychiatric assessment program in the 9:8
- Anthropometric measurements, of naval aviators 12:30
- Anthropometric problems, in aircraft man-machine design 12:31
- Antibiotics and Aspirin, a comparison between, in treatment of minor respiratory infection 3:27
- Antibiotics at work 2:22
- Antimalarial: C1501 11:29
- Arctic and Antarctic, WHO conference on medicine and public health in 6:20
- Arje, Sidney L. Capt, MC USN, receives appointment 1:19
- Armed Forces Institute of Pathology, history of 10:3
- Armed Forces Orthopaedic Seminar 1:19
- Armed Forces Radiation Biology and Atomic Medicine Program 9:3
- Army and Air Force Courses 1:16
- Aspirin and Antibiotics, a comparison between, in treatment of minor respiratory infections 3:27
- Assignment opportunities, research, for Regular Navy Medical Officers 8:20
- Association of Military Surgeons of the U. S., annual meeting of 8:16
- Asthma, potentially fatal, recognition and treatment of 6:11
- Astronaut LCdr Malcolm S. Carpenter USN, meets Monkey Baker 4:36
- Atomic Medicine and Radiation Biology Program of the Armed Forces 9:3
- Audiovisual facility, national, medical 6:14
- Auricular fibrillation, misuse of quinidine in treatment of 5:9
- Automobile door locks, evaluation of pre-1956 & post 1955 cars 3:35
- Aviation personnel, a philosophy of refraction for 8:31
- Aviators, naval, anthropometric measurements of 12:30
- Aviators, thousand (the), medical study of 4:37
- BACTERIAL Diseases 6:28
- BCG Vaccine, use of 9:30
- Beneficial Suggestions, approved by the Veterans' Administration 10:24
- Bilirubin survey, national, announcement of 1:16
- Biomedical engineering meetings 7:20
- Bizeau First Aid Roll 3:3
- Blood clotting factors 8:10
- Board Certifications, Inactive Duty USNR Medical Officers 1:38
- Bronchitis (Chronic), Asthma, and Pulmonary Emphysema 3:33
- Brown, Robert B., RAdm, MC USN, receives honorary degree 1:15
- Brucellosis, human, in the U.S. - 1961 10:12
- Burma, filariasis in 9:35
- Burn, electrical 3:6
- Burns
facial 5:3
status of freeze-dried skin homografts in 9:14
- Butler, Anna T., Cdr., NC USN, heads NC Anesthesia Program 9:20
- CANCER, childhood, and prenatal x-ray 2:8
- Cancer virus research workers, biblio-directory of 7:20
- Carcinoma, of the skin, in machine tool setters 2:34
- Cardiac arrest and hypoxia, announcement on 12:20
- Cardiac massage, in children 7:11
- Cardiopulmonary resuscitation, closed chest method of 10:30
- Cement-alloy restorations, temporary 3:24
- Centrifuge simulations of space vehicles, principles concerning pilot performance in 8:34
- Child-Mother Research Study, nationwide, collaborative 8:3
- Childhood mortality and socioeconomic development in the Americas 4:21
- Children, operations on the inguinal area of 12:14

NOTE: Figures indicate the number of issue and page in Volume 40 of the News Letter. For example, Accidents, shipboard, injuries to visitors 6:17 indicates that this item may be found in Vol. 40, No. 6, Page 17.

- Children, study of behavioral difficulties in 10:8
 Cholera El Tor, international sanitary regulations on 3:29
 Cholinesterase inhibitors 2:33
 Citations for MSC, by U. S. Army 6:15
 Cleaning Unit, ultrasonic, evaluation of the 3:22
 Clinicopathologic Conferences, available on loan 2:16
 CNO message, Navy-Marine Residence Foundation 11:14
 Cold Agglutinin Disease 6:13
 Common Variation of Normal Occlusion 8:22
 Congenital abnormalities, production of 8:5
 Contact lenses, hazards to those handling chemicals while wearing 7:31
 Convulsions, and television viewing 11:12
 Copper poisoning, a report by USAF 6:18
 Corticosteroids, anti-inflammatory, clinical comparison of the newer 4:18
 Cytology smears, technic for fixing 12:20
- DENTAL** Caries
 a decade's progress in the understanding of the etiology of 9:23
 inheritance of resistance and susceptibility to 9:23
 in the light of electron microscopy 9:22
 test, new 5:23
 Dental items, newly standardized 7:25
 Dental Officers, recent Diplomates of American Boards 1:25
 Dental Problems in Archaeology 10:22
 Dental X-Ray Hazards, prevention of in the USN 9:24
 Dentistry, forensic, first PG course in 12:25
 Dentistry, operative, challenge of 11:22
 Dentists in Latin America 12:26
 Diaper rinse, bacteriostatic agent in 3:35
 Diphtheria 11:27
- Directives**
 BuMed Instructions
 1500.4C Memberships in civilian professional societies and specialty board examinations; procedure for obtaining 3:17
 1500.7 Part-Time Outservice Training for MSC Officers 10:13
 1520.3D Courses of instruction in Aviation Medicine or Submarine Medicine, application for 1:18
 1520.8 Medical Aspects of Advanced Warfare 5:19
 1520.8 Space and Astronautics Orientation Course 2:16, 6:20
 1520.10B Applications for Residency Training 1963-1964 2:14, 3:13
 1520.12A Full-Time Training MSC Officers 10:13
 1520.12A Hospital Administration course for MSC Officers 5:17
 6230.1C Immunization requirements and procedures of 5 Sept 1962 10:21
 6710.48 Poison antidote lockers in emergency treatment rooms 7:19
 6750.3 Preventive maintenance and repair of dental equipment 8:25
 BuMed Notice
 6230 Immunization requirements and procedures of 5 Sept 1962 10:21
 6230 Influenza vaccination program of 20 Sept 1962 10:21
 6770 Bacteriostatic agent in diaper rinse 3:35
 BuShips Instruction
 9640.27 Increased illumination requirements for dental operating spaces 12:25
 General Order No. 20 (Revision of), Medical and Agricultural quarantine regulations for vessels 11:28
- Directives (continued)**
 SecNav Instruction
 1920.3C Resignations 8:20
 Disease and disorder, distinction between 10:24
 Disease
 epidemic, focal nature of 1:31
 heart, congenital 8:7
 liver, from heat stroke 8:8
 Disorder and disease, distinction between 10:24
 Diving, medical aspects of - a new film 10:13
 Doctors, article by VAdm Fitzhugh Lee, USN 8:27
 Don't Tamper With the Tulips 5:34
 Drinking of sea water, danger of 9:27
 Driving, accidents in summer months 3:18
 Dry-Cleaning machines, coin-operated 6:31
- ELECTRICAL** Burn 3:6
 Elsasser, Leo J., Capt MSC USN
 relieved by Cdr Herrmann as Head of Navy Medical Service Corps 6:19
 retirement of 8:13
 Emergency treatment rooms, poison antidote lockers in 7:19
 Employee, pregnant, work limitations of the 7:27
 Endodontics, past and present concepts in 1:23
 Engineering meetings, biomedical 7:20
 Entomologists, military, conduct annual training program 6:16
 Epidemic Disease, focal nature of 1:31
 Epinephrine, in local anesthetics 1:22
 Epoxy aircraft finishers, safe work procedures in use of 7:31
 Erythema Infectiosum 6:34
 Explosion, freezer 2:27
 Exposure suit, wet type, for flight personnel 8:30
- F4H-1/Sparrow III** Weapon System, aeromedical appraisal of 12:27
 Facial burns 5:3
 Fallout Shelter Evaluation Program, NBS cooperates in 1:17
 Federal Hospital Luncheon, announcement of 5:17
 Federal National Blood Program, summary points 11:18
 Federal Services Pharmaceutical Seminar, sponsored by Section on Military Pharmacy of the American Pharmaceutical Assn. 8:19
 Field Indicators, practical experience with routine use of 5:27
 Filariasis, in Burma 9:35
 Fillings, copper and silver amalgam, mercurial poisoning and sensitivity from 8:23
 Films, new, Medical Aspects of Diving 10:13
 Finishers, epoxy, safe work procedures in use of 7:31
 First Aid Roll, by Bizeau 3:3
 (The) First Six Weeks 8:7
 Flash Point and Explosive limits, of some common solvents 2:30
 Flowers and plants, poisonous 5:34
 Food Poisoning, Salmonella infantis 6:33
 Football injuries, a symposium on 6:3
 Foreign Medical Officers and foreign Military Nurses receive training at USN Medical School 10:20
 Fractures
 fatigue, in track athletes 12:13
 of the small bones of the hand 5:12
 Freedoms Foundation Letter Awards Program 8:15
 Freezer, explosion of 2:27

- GASTRIC Activity, thoughts on interference with during prolonged weightlessness 12:35
- Gastroenteritis, acute, aboard a Naval vessel 5:15
- General Order No. 20 (Revision of), Medical and Agricultural quarantine regulations for vessels 11:28
- General Practice residency, at USNH Jacksonville, Fla. 9:20
- General Status of the Hospital Corps 2:18
- Georgetown University, training affiliation established between U. S. Naval Dental School and 6:24
- Glaucoma 6:32
- Glaucoma, and tonometry 12:10
- Good Samaritan Statutes 12:18
- Guantanamo Bay, Cuba, Medical Section, FTG, reactivated at 4:32
- HAIR Spray, inhalation suspected in deaths 3:33
- Hall, Heyward E., Cdr MSC USN, receives Army commendation medal 6:21
- Hand, fractures of the small bones of the 5:12
- Handbook of the Hospital Corps, U. S. Navy, change in price of 6:19
- Hazards
and benefits, of closed chest method of cardiopulmonary resuscitation 10:30
- Freak Helium Accident Inflates Man's Arm 10:28
- mercury 5:32
- perchloric acid ventilating system 10:29
- Third Molars 7:23
- to those handling chemicals and wearing contact lenses 7:31
- Health hazards, in hobby shops 2:33
- Heart disease in the first six weeks, congenital 8:7
- Heat, effects of in Kuwait Operation 7:32
- Helium, freak accident inflates man's arm with 10:28
- He'll Grow Out of It 10:8
- Hematologic disorders, splenectomy in 5:8
- Hemianopia, homonymous 11:3
- Hepatitis, morbidity by state, 1st quarter 1962 3:34
- Herrmann, Robert S.
as Cdr MSC USN, appointed Head, U. S. N. Medical Service Corps 6:19
- as Capt MSC USN, assumes office of Chief of the Medical Service Corps, USN 8:15
- High Altitude Sickness, vacations and 4:29
- High Living 4:22
- Hobby Shop Health Hazards 2:33
- Hogan, Bartholomew, W., RAdm MC USN (ret), new honor for 4:34
- Holland, J. L., RAdm MC USN, detached as CO, U. S. Naval Aviation Medical Center; to be FMO, CINCPAC 4:37
- Homograft, freeze-dried skin, status of in the severely burned patient 9:14
- Homonymous Hemianopia, a review of 100 cases 11:3
- Honduras, medical aid to 3:18
- Horner's Syndrome, diagnostic significance 7:7
- Hospital Administration, course for MSC Officers 5:17
- Hospital Association conference, Maryland-D. C. -Delaware 5:18
- Hospital Corps, general status of 2:18
- Hypertension, idiopathic fibrous and fibromuscular stenoses of the renal arteries associated with 1:3
- Hypnosis in Dentistry 1:23
- Hypoxia and cardiac arrest, announcement on 12:20
- ICE Therapy 3:35
- Idiopathic Fibrous and Fibromuscular Stenoses of the Renal Arteries Associated with Hypertension 1:3
- Immunization Information for International Travel, revised booklet 11:29
- Immunizations, important announcement on 10:21
- Indicators, field, use of 5:27
- Industrial hygiene and radiation control, home-study courses on 7:30
- Industrial Hygienists, U. S. Navy, certified by the American Board of Industrial Hygiene 7:26
- Influenza Immunization 6:36
- Information from the Surgeon General on Scientific Program of the annual meeting of the American College of Chest Physicians 5:14
- Inguinal area, of young children, surprises in operations on 12:14
- Injuries
football 6:3
- urinary tract, sometimes occult - always dangerous 8:8
- In Memoriam 10:19
- International Sanitary Regulations: Cholera El Tor 3:29
- Internships, USN 3:19
- Ionization treatment, of sensitive teeth 12:24
- JOINT Blood Council
accomplishments of 11:17
- dissolves 11:16
- KENNEY, Edward C., RAdm MC USN, calls attention to Scientific Program of the annual meeting of the American College of Chest Physicians 5:14
- Kenny, Geves S., Lt MC USN, receives honor 11:20
- Kidney disease, nonmyelomatous amyloid 12:5
- Know Your World 6:37, 9:36, 11:34
- Koss, Ronald J., Lt DC USN, Dental Corps Host to Antarctic Officers and Scientific Personnel 11:25
- Kuwait Operation, rethinking in British Army after study of 7:32
- Kyes, Frank M., Capt DC USN, selected for Read Admiral 6:26
- LABORATORIES, microbiological, considered unsafe by Army expert 5:34
- Leadership Manual, NavPers 15934, Navy publishes 12:17
- Leishmaniasis, dermal, post-kala-azar 4:24
- Letter Awards Program, Freedom Foundation 8:15
- Lifting and Carrying 7:34
- Liver Disease, from heat stroke 8:8
- Local Anesthetics with Epinephrine, for Dental Patients with Cardiovascular Disease: review of the literature 1:22
- Longevity, nutrition, health and 7:22
- "Lost" Ocean Current Found 7:21
- MALARIA
in personnel returning from endemic areas 7:20
- new antimalarial: C1501 11:29
- Malignancies, oral, incidence of 5:24
- Maryland-D. C. -Delaware Hospital Assn., conference of the 5:18
- McIlraith, James D., LCdr MSC USN, voted certification in Radiological Physics 6:21
- Medical Aspects of Advanced Warfare 5:19
- Medical Audiovisual facility, national 6:14
- Medical personnel visit Norfolk 8:17
- Medical Section, FTG, Guantanamo Bay, reactivated 4:32

NO. 40. Figures indicate the number of issue and page. Volume 40 of the Medical News Letter. For example, Acute, shipboard, injuries to the chest 6:17 indicates that this item may be found in Vol. 40, No. 6, Page 7.

- Medical Service Corps, USN
 anniversary messages 3:11
 Progress Report of 3:12
 Mercury hazard 5:32
 Military entomologists, conduct annual training program 6:16
